R E S P O N S E

Dear Sir:

In response to the restriction requirement mailed August 10, 2007 applicants elect to prosecute in the present application the claims of Group I, i.e., claims 1-26 and 44, drawn to a device to eliminate trimmings from a series of products. However, applicants reserve the right to file a divisional application on the non-elected subject matter of Group II, i.e., claims 27-43, drawn to a method to eliminate head and tail trimmings, under the provisions of 35 U.S.C. §121.

Additionally, applicants elect Species B (Figure 8). Of the elected claims, pending claims 1-13, 15-26 and 44 read on elected Species B.
